

Hello Spring

Coral Academy of Science Las Vegas

PTO Newsletter

Hello Coral families,

In February we celebrated National School Counseling Week, Valentine's day, hosted a dining fundraiser at The Lazy Dog Restaurant Town Square and a sports night at the Harlem Globetrotters World Tour. Thank you to those families that dined/took out food and attended the basketball game at Thomas and Mack. [Click here to see photos from a very memorable evening.](#) One of our very own Coral students was picked to go out on the basketball court and be a part of the show!

Our next fundraising event will be at [Velocity Esports](#) at Town Square (in the former GameWorks location). It's a Family Fun Night of dining and playing on [Tuesday, 3/28/23 from 6pm–10pm](#). All purchases of food, drink and game play (esports, bowling and arcade) will be included in the donation as long as you mention that you are with the Coral Academy fundraiser.

Then in late April, CASLV PTO & Coral Academy are excited to bring you our upcoming gala which will be a 50's themed sock hop with plenty of fun, free dance lessons, contests, and food, with special performances by the Coral music and dance groups. New developments are occurring weekly so [stay tuned on our website for more info by clicking here.](#)

Thank you for your support.

The Eric Lyons Scholarship is awarded in the amount of \$1,000 to a Coral Academy student attending a university. The more donations received will allow us to award more scholarships.

Read below for information about Eric Lyons and his passions from one of our Coral teachers.

Eric Lyons was a son, friend, and student to so many people in our Coral family. He started at the Tamarus Campus in Kindergarten and would have graduated this year 2023. He is missed everyday by those he was close to. He was very anti-bullying and defended his friends fiercely. He loved documentaries about history, Science, Disney, and especially Star Wars. Eric had huge dreams for his future and studied until he absolutely no longer was able. He never gave up and I was proud to witness his journey as a teacher and as a friend. I believe raising money to give two seniors a scholarship this year in his honor is a fitting tribute to this young man.

To date Tru Earth and our community of Change Makers have helped reduced this by 2 million with our revolutionary laundry strip technology.
