Hello Coral Families,
October is here and the students showed off their artistic side by participating in a Face Mask Painting Contest. Winners are announced on the following pages. And since we were unable to celebrate with a Back to School breakfast for the teachers & staff, we wanted to provide them with items that are useful during this time. CASLV PTO provided Welcome Back to School Gifts of Seventh Generation disinfectant spray, Bath & Body Works hand sanitizer, Bath & Body Works hand sanitizer spray, disinfecting wipes, disposable face masks, tissue and Tahari leather purses for the women. Thank you to Gaming & Entertainment Touch Technology for donating the Seventh Generation disinfectant spray!

Halloween Hunt

Halloween won't be quite the same this year, but we have added some spooky elements to make it fun for the whole family. Hidden throughout this newsletter are Halloween graphics, photos, and sayings. Get the family together and have fun reading and hunting for Halloween items. The first 25 families that email all the correct answers to PTOFun1@gmail.com will win a prize. Contest ends by October 6th at 11pm unless 25 correct submissions are received before the deadline.

Rules:

Sayings from Halloween type Movies & Shows— Provide the movie/show name; character name; page # & article name in newsletter

The CASLV sweatshirts have an updated look that is fresh and exciting with some that are classic and others that have an edgier and modern look. Other changes are a color block pullover with new tech fabric that has features such as moisture wicking technology, stain release and odor resistant. This is useful for when our kids like to wear them in the hot weather.
